

Phillip Pangilinan

Supervisor, County Cost Plans
Division of Audits
California State Controller's Office

Professional Experience

Phillip Pangilinan is the supervisor and subject matter expert for the County Cost Plans Unit of the State Controller's Office. With his wealth of knowledge, he provides guidance to his team in audits of Countywide Cost Allocation Plans on behalf of the state and federal governments.

Phillip joined the State Controller's Office as a student assistant within the Division of Accounting of Reporting, Bureau of Local Payments, where he learned and applied audit concepts and techniques and further developed his audit skills validating inquiries and claims related to payments, reimbursements, and other compensation.

Prior to becoming the supervisor of County Cost Plans, Phillip reviewed revenue audits with the SCO Division of Audits in Los Angeles. He has an array of experiences working within several Bureaus in the SCO's Division of Accounting and Reporting including the Bureaus of Cash Management and Local Government Reporting.

Education

Phillip has a Bachelor of Science in Business Administration with concentrations in Finance and Accountancy from California State University Sacramento.
