

Cathlyn Coons

Subject Matter Expert

Workiva

Ms. Coons is currently a Subject Matter expert for the State, Local, and Education team at Workiva. She joined Workiva last year and has over 20 years of professional accounting experience; 10 years with SAIC, and then Sempra Energy, and the last 10 years with San Diego Association of Governments (SANDAG).

Her professional experience includes 2 ERP system upgrade projects, preparation of both SEC and governmental financial statements, and various complex, special projects.

Additionally, she taught for 4 years at San Diego State University as part of the Management Information Systems Department in the College of Business and later in the Rhetoric and Writing Studies Department. She earned a Masters in Science in Accountancy from San Diego State University and a Bachelor of Science, Business Administration from University of North Carolina, Pembroke. She currently resides in the Washington, D.C. area.
