What practices can a local agency put in place to promote public trust and confidence? What practices can minimize the risk of missteps that could undermine or damage this trust and confidence?

The Institute for Local Government (ILG) has created a checklist to help elected officials, county administrative officers, city managers, agency counsel, local agency staff and the community-at-large answer these fundamental questions. Some of the “good practices” are those necessary to comply with California law. Others set the agency’s sights higher and take good practices to a level of “better practices.” Whenever possible, the checklist offers references for further information on a topic.

The checklist is divided into the following areas:

|   | Slightest of Public Resources  
<table>
<thead>
<tr>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>Financial Practices, Use of Public Resources, Procurement and Contracting</td>
</tr>
</tbody>
</table>
| 2 | Transparency  
|   | Open Government Practices, Meetings, Decision-Making |
| 3 | Education, Training and Personnel |
| 4 | Campaigns |

This checklist can be used by elected officials and staff to evaluate the current practices of an agency, identify deficiencies in policy and procedures, set goals and foster communication within the agency about its practices.

The checklist combines legal requirements included in California law as well as practices suggested by the following resources:

- Institute for Local Government’s “Ethics Law Compliance Best Practices,” available at [www.ca-ilg.org/ethicsbestpractices](http://www.ca-ilg.org/ethicsbestpractices)
- League of California Cities City Managers Department, “Transparency and Your City Self-Assessment Checklist,” draft version available at [www.cacities.org/Resources-Documents/Member-Engagement/Professional-Departments/City-Managers/Transparency-Subcommittee/Transparency-and-Your-City-checklist](http://www.cacities.org/Resources-Documents/Member-Engagement/Professional-Departments/City-Managers/Transparency-Subcommittee/Transparency-and-Your-City-checklist)

In addition, the League of California Cities helped develop an extensive fiscal assessment tool designed to probe more extensively into local agency fiscal conditions. This tool is available at [www.californiacityfinance.com/Diagnostic1405.pdf](http://www.californiacityfinance.com/Diagnostic1405.pdf).
