Chapter 704, Statutes of 2012 appropriates \$9.1 million from the Indian Gaming Special Distribution Fund (IGSDF) for the purpose of providing grants to local government agencies pursuant to Section 12715 of the Government Code (GC). Attached is a spreadsheet reporting the various amounts that were deposited into the Individual Tribal and County Tribal Casino Accounts, which was prepared pursuant to GC section 12715 and in consultation with the California Gambling Control Commission.

GC section 12715 (b) (1) created the Indian Gaming Local Community Benefit Committee (IGLCBC) to establish application policies and procedures for grants that follow the priorities specified in GC section 12715 (g). The IGLCBC is to assess the eligibility of applications for grants from local jurisdictions impacted by tribal gaming. The IGLCBC shall determine the appropriate amount of reimbursement for county administrative costs, not to exceed 2 percent of the aggregate county tribal account in any given fiscal year.

Each county's IGLCBC shall submit to the State Controller's Office (SCO) Authorization Forms to Release Funds from the Tribal Casino Accounts. Upon receipt of the authorization forms, the SCO shall release the funds directly to the local government entities for which the committee has approved a grant. Funds not allocated by June 28, 2013, shall revert back to the IGSDF. These funds are now available so please submit your grant forms as soon as possible and no later than May 31, 2013 to allow time for processing. Please submit your approved list of projects and any changes to:
