ADDENDUM

TO: All Agencies Participating in the California Automated Travel Expense Reimbursement System

FROM: DON SCHEPPMANN, Chief

RE: CalATERS SUSPENDED CLAIMS THROUGH FEBRUARY 23, 2009

This letter provides information regarding the payment of CalATERS suspended claims.

The State Controller's Office has approved payment of general fund claims suspended for February 2009. This will include all claims approved through the department accounting offices as of 5:00PM, February 23, 2009. These payments will have an issue date of March 11, 2009.

As a reminder, the information in an employee's profile at the time a claim is created is used to process the claim. Subsequent changes to the profile (e.g., mailing address, funding) do not affect claims already submitted. Payments for the February 2009 suspended claims will be mailed to the addresses or deposited into the accounts that were reflected in the profiles at the time the claims were created.

In order to issue the suspended payments, the daily batching process has been stopped until March 9, 2009. CalATERS continues to be available for employees to create and submit claim forms, to have the forms approved by their approvers and for the department accounting offices to approve the forms.

If you have questions regarding this letter, please contact the CalATERS Help Desk at (916) 324-9991.
