PERSONNEL LETTER #16-020

TO: All Agencies/Campuses in the Uniform State Payroll System

FROM: Debra Spellman, Chief
Personnel and Payroll Services Division (PPSD)

RE: 2017 DECENTRALIZED DEPARTMENT/CAMPUSES ANNUAL STATEMENT OF SELF-CERTIFICATION

All Decentralized Departments/Campuses must annually certify that they comply with the Security Program standards. The Security Monitor and appropriate level managers should review the Decentralized Security Program Manual and apply the standards and procedures to their respective decentralized site, as well as review the Decentralized Security Guidelines once a year with staff.

The Annual Statement of Self Certification form, [PSD041](#), is located on the SCO's website and is due to the SCO Decentralized Security Administrator (DSA) by January 31st. Please send the PSD041 form electronically to the DSA mailbox dsa@sco.ca.gov. We suggest the department/campus retain a copy of the form for future reference.

If your Department/Campus does not comply with the restrictions and rules set forth in the PPSD Decentralized Security Program Manual and the California Information Practices Act, you must submit a letter explaining the deficiencies and a corrective action plan to the DSA by January 31, 2017.

Annual Statements of Self-Certification not received by January 31, 2017, will be considered in non-compliance of the Personnel Payroll Services Division Decentralized Security Program and Guidelines and the California Information Practices Act.

NOTE: Failure to provide the Annual Statement of Self-Certification by January 31st, of each year will result in the revocation of access for all office staff.

Please direct any questions to the DSA email dsa@sco.ca.gov.
