PERSONNEL LETTER #23-023

TO: All Agencies/Campuses in the Uniform State Payroll System

FROM: Jil Barraza, Chief
Personnel and Payroll Services Division**RE: MASS R01 TO CORRECT CalPERS ENROLLMENT**

Per [Personnel Letter #21-009](#) – On April 30, 2021, the State Controller's Office (SCO) implemented an Employment History (EH) system modification to add a new E-LVL (CalPERS Enrollment Level) field in the Personnel Information Management System (PIMS) and California State University (CSU) RST screens.

Due to a defect in the Max Comp program, the E-LVL field changed when it should not have, which caused inaccuracies in maximum Retirement contribution tracking for some Civil Service and CSU employees.

To correct the erroneous E-LVL field changes, on September 26th, October 10th and October 26th, 2023 the SCO implemented an R01 EH system transaction, effective 09/26/2023, 10/10/2023 and 10/26/2023, based on the employee's Enrollment Level field in myCalPERS. No action is required by Departments.

For questions about a Member's enrollment level please contact the PPSD [Statewide Customer Contact Center](#).
