STATE CONTROLLER KATHLEEN CONNELL RELEASES FUNDS FOR RIO VISTA DOCK RECONSTRUCTION

Sacramento, December 27, 2001 - State Controller Kathleen Connell today issued a warrant for \$98,000 to the City of Rio Vista, located in Solano County, to go towards the construction of a replacement public access dock on the Sacramento River.

The Rio Vista Main Street public access dock is used by tourists, recreational boaters and governmental research vessels. It is currently the only usable facility that provides access from the Sacramento River waterway to the Rio Vista community. It is a major port of access for the Sacramento River Delta.

The existing facility was constructed in the 1950s and has been deteriorating for some time. The new facility will include ADA-accessible docking. The dock has never had disabled access.

The funds were allocated under the Budget Act.
