

Summary of Substantive Changes Accounting Standards and Procedures for Counties

The 2025 edition of the *Accounting Standards and Procedures for Counties* (ASP) manual has been reviewed to confirm consistency with current GAAP guidelines according to Governmental Accounting Standards Board (GASB) Codification.

General changes implemented in the 2025 edition of the ASP manual are as follows:

- Confirmed that guidance provided is consistent with GASB Codification in order to maintain efficiency and accuracy for future GAAP updates and to reduce redundancy.
- Revised language (as needed) for consistency with GASB Codification up to and including GASB Statement No. 102, *Certain Risk Disclosures*.
- Incorporated provisions from any new laws chaptered in 2024 (as applicable) and from the following GASB Statements (GASBS) which have yet to be codified as of June 2025:
 - GASBS No. 103, *Financial Reporting Model Improvements*
 - GASBS No. 104 *Disclosure of Certain Capital Assets*
- Added bullet style summaries for GASBS 102, 103, and 104, to the introduction section of Appendix E.
- Added a table to the introduction section of Chapter 7, that provides a high-level summary of terms in GASBS 103.
- Provided a flowchart at the end of Chapter 24.01 that outlines the treatment of leave entitlements that meet the definition of compensated absences as defined in GASBS 101.
- Guidance previously presented in Appendix A of the ASP manual has been incorporated into the applicable chapters. Therefore, Appendix A of the 2025 edition of the ASP manual does not contain any preliminary guidance at this time.
- Provided links to GASB’s “*Technical Plan*” and “*Current Projects*” in the introduction section of Appendix A.
- Added new definitions for the terms “*Assets Held for Sale*”, “*Blended Component Units*”, “*Concentration*”, “*Constraint*”, and “*Subsidies*” to Appendix B.
- Updated the current definitions for “*Management Discussion & Analysis (MD&A)*”, “*Nonoperating Revenue*”, “*Nonoperating Expense*”, “*Operating Revenue*”, and “*Operating Expense*” in Appendix B.
- Provided link to GASB “*User Guides*” in Appendix C.
- Improved clarity of language through sentence structure changes, consolidation of duplicate material, and the elimination of guidance determined to be outside the authority of the State Controller's Office (SCO).
- Updated tables, charts, and journal entries to ADA compliant format (where possible).
