SUBJECT: The California Actuarial Advisory Panel's 2016 Annual Report to the California Legislature

Dear Mr. Wilson:

Pursuant to Government Code section 7507.2, the California Actuarial Advisory Panel (the Panel) is pleased to submit its seventh annual report. During 2016, the Panel met five times and continued to fulfill its statutory responsibilities. Specifically the Panel:

- In March, responded to an inquiry from a California retirement system.
- In March, updated the CAAP's February 2013 document on Funding Policies and Practices for Public Sector Pension and OPEB Plans.
- In November, released a letter regarding the PEPPRA Maximum Compensation Limits for 2017.

The Panel remains ready to assist the Governor and Legislature with analysis of any public pension or OPEB issues. The Panel has unique insight into pension plans and pension issues, not only from a technical view, but as retirement experts with many years of pension and retiree medical experience. The members of the Panel appreciate serving the citizens of California and would welcome any opportunity to discuss the matters raised in this report.

Sincerely,

A handwritten signature in black ink, appearing to read "Paul Angelo".
