SUBJECT: The California Actuarial Advisory Panel's 2018 Annual Report to the California Legislature

Dear Mr. Wilson:

Pursuant to Government Code section 7507.2, the California Actuarial Advisory Panel (the Panel) is pleased to submit its annual report. During 2018, the Panel met eight times and continued to fulfill its statutory responsibilities. Specifically the Panel:

- In June, responded to the Actuarial Standards Board regarding Proposed Revision of Actuarial Standard of Practice (ASOP) No. 4.
- In November, released a letter regarding the PEPRA Maximum Compensation Limits for 2019.
- In November, responded to a request from the County of San Diego to provide comments on a Transparent California July 24, 2018 blog article.

The Panel remains ready to assist the Governor and Legislature with analysis of any public pension or OPEB issues. The Panel has unique insight into pension plans and pension issues, not only from a technical view, but as retirement experts with many years of pension and retiree medical experience. The members of the Panel appreciate serving the citizens of California and would welcome any opportunity to discuss the matters raised in this report.

Sincerely,

Paul Angelo
Chair, California Actuarial Advisory Panel
