More about California’s Property Tax Postponement Program

The interest rate for taxes postponed under PTP is 5 percent per year. A lien will be placed on the real property, or a security agreement filed with the Department of Housing and Community Development for a manufactured home, until the account is paid in full. Funding for the program is limited.

Applications will be accepted from October 1 to February 10 each year, and will be processed in the order received. Only current-year property taxes are eligible for postponement.

Repayment under the PTP Program becomes due when the homeowner:

- Moves or sells the property;
- Transfers title;
- Defaults on a senior lien;
- Refinances;
- Dies; or
- Obtains a reverse mortgage.
