

California Actuarial Advisory Panel

Work Plan

Pursuant to Government Code Section 7507.2(b), the Panel's responsibilities are:

- (1) Defining the range of actuarial model policies and best practices for public retirement plan benefits, including pensions and other postemployment benefits.
- (2) Developing pricing and disclosure standards for California public sector benefit improvements.
- (3) Developing quality control standards for California public sector actuaries.
- (4) Gathering model funding policies and practices.
- (5) Replying to policy questions from public retirement systems in California.
- (6) Providing comment upon request by public agencies.
