## April 2017

## STATEMENT of GENERAL FUND CASH RECEIPTS and DISBURSEMENTS

BETTY T. YEE

May 10, 2017

Enclosed is the Statement of General Fund Cash Receipts and Disbursements for the period July 1, 2016, through April 30, 2017. This statement reflects the State of California’s General Fund cash position, and compares actual receipts and disbursements for the 2016-17 fiscal year to cash flow estimates prepared by the Department of Finance (DOF) for the 2016-17 Budget Act. The statement is prepared in compliance with Provision 5 of Budget Act item 0840-001-0001, using records compiled by the State Controller. Prior-year actual amounts are also displayed for comparative purposes.

Attachment A compares actual receipts and disbursements for the 2016-17 fiscal year to cash flow estimates published in the 2017-18 Governor's Budget. These cash flow estimates are predicated on projections and assumptions made by DOF in preparation of the 2017-18 Governor's Budget.

Attachment B compares actual receipts and disbursements for the 2016-17 fiscal year to cash flow estimates prepared by DOF based upon the 2016-17 Budget Act.

These statements also are available on the State Controller's website at www.sco.ca.gov under the category Monthly Financial Reports.

Please direct any questions relating to this report to Casandra Moore-Hudnall, Chief of the State Accounting and Reporting Division, by telephone at (916) 445-5834.

Sincerely,
Original signed by

## BETTY T. YEE

## General Note:

This report is based upon funded cash. Funded cash is cash reported to and recorded in the records of the State Controller's Office. Amounts reported as funded cash may differ from amounts in other reports to the extent there are timing differences in the recording of in-transit items.

## Footnotes:

(a) A Statement of Estimated Cash Flow for the 2016-17 fiscal year was prepared by the Department of Finance for the 2017-18 Governor's Budget. Any projections or estimates are set forth as such and not as representation of facts.
(b) Outstanding loan balance of $\$ 12.28$ billion is comprised of $\$ 12.28$ billion of internal borrowing. Current balance is comprised of $\$ 646.2$ million carried forward from June 30, 2016, plus current year Net Increase/(Decrease) in Temporary Loans of $\$ 11.63$ billion.
(c) Negative amounts are the result of repayments received that are greater than disbursements made.
(d) Debt Service amounts are net of offsets such as federal subsidies and reimbursements from other sources. To the extent that these offsets do not occur when anticipated, there can be variances between actuals and estimates on a month-to-month basis.
(e) The 2016-17 Governor's Budget reclassified California State University Retiree Health Benefits expenses as a General Government disbursement to better align retiree health and dental care spending. From July 2016 to January 2017, these actual disbursements were inaccurately reflected as a State Universities and College expense. Effective February 2017, the reported actuals are correctly reported as General Government disbursements.

## General Note:

This report is based upon funded cash. Funded cash is cash reported to and recorded in the records of the State Controller's Office. Amounts reported as funded cash may differ from amounts in other reports to the extent there are timing differences in the recording of in-transit items.

Footnotes:
(a) A Statement of Estimated Cash Flow for the 2016-17 fiscal year was prepared by the Department of Finance for the 2016-17 Budget Act. Any projections or estimates are set forth as such and not as representation of facts.
(b) Outstanding loan balance of $\$ 12.28$ billion is comprised of $\$ 12.28$ billion of internal borrowing. Current balance is comprised of $\$ 646.2$ million carried forward from June 30, 2016, plus current year Net Increase/(Decrease) in Temporary Loans of $\$ 11.63$ billion.
(c) Negative amounts are the result of repayments received that are greater than disbursements made.
(d) Debt Service amounts are net of offsets such as federal subsidies and reimbursements from other sources. To the extent that these offsets do not occur when anticipated, there can be variances between actuals and estimates on a month-to-month basis.
(e) The 2016-17 Governor's Budget reclassified California State University Retiree Health Benefits expenses as a General Government disbursement to better align retiree health and dental care spending. From July 2016 to January 2017, these actual disbursements were inaccurately reflected as a State Universities and College expense. Effective February 2017, the reported actuals are correctly reported as General Government disbursements.
