California State Controller

September 1, 2015

Stanley Rose III, Ed.D., Superintendent
Santa Clara Unified School District
1889 Lawrence Road
Santa Clara, CA 95051

Dear Dr. Rose:

The State Controller's Office performed a desk review of costs claimed by the Santa Clara Unified School District for the legislatively mandated Collective Bargaining and Collective Bargaining Agreement Disclosure Program (Chapter 961, Statutes of 1975; and Chapter 1213, Statutes of 1991) for the period of July 1, 2010, through June 30, 2012. We conducted our review under the authority of Government Code sections 12410, 17558.5, and 17561. Our review was limited to ensuring that direct and indirect costs were properly reported in accordance with program requirements.

The district claimed \$38,312 for the mandated program. Our review found that \$3,656 is allowable and \$34,656 is unallowable. The costs are unallowable because the district under-reported the Winton Act base-year costs, as described in the attached Summary of Program Costs and the Review Results. The State made no payments to the district. The State will pay \$3,656, contingent upon available appropriations.

We informed Mark Allgire, Assistant Superintendent, Business Services, of the finding via email on August 10, 2015. We did not receive a response from the district.

If you disagree with the review finding, you may file an Incorrect Reduction Claim (IRC) with the Commission on State Mandates (Commission). The IRC must be filed within three years following the date of this report. You may obtain IRC information at the Commission's website at www.csm.ca.gov/docs/IRCForm.pdf.

If you have any questions, please contact Jim L. Spano, Chief, Mandated Cost Audits Bureau, by telephone at (916) 323-5849.

Sincerely,

Attachment 2— Review Results July 1, 2010, through June 30, 2012

BACKGROUND—

In 1975, the State enacted the Rodda Act (Chapter 961, Statutes of 1975), requiring the employer and employee to meet and negotiate, thereby creating a collective bargaining atmosphere for public school employers. The legislation created the Public Employment Relations Board to issue formal interpretations and rulings regarding collective bargaining under the Rodda Act. In addition, the legislation established organizational rights of employees and representational rights of employee organizations, and recognized exclusive representatives related to collective bargaining.

On July 17, 1978, the Board of Control (now the Commission on State Mandates [Commission]) determined that the Rodda Act imposed a state mandate upon school districts, reimbursable under Government Code section 17561.

Chapter 1213, Statutes of 1991, added Government Code section 3547.5. This section requires school districts to publicly disclose major provisions of a collective bargaining effort before the agreement becomes binding. On August 20, 1998, the Commission determined that this legislation also imposed a state mandate upon school districts, reimbursable under Government Code section 17561.

Claimants are allowed to claim increased costs. For components G1 through G3, increased costs represent the difference between the current-year Rodda Act activities and the base-year Winton Act activities (generally, fiscal year [FY] 1974-75), as adjusted by the Implicit Price Deflator. For components G4 through G7, increased costs represent actual costs incurred.

The seven components are as follows:

- G1 – Determining bargaining units and exclusive representatives
- G2 – Election of unit representatives
- G3 – Cost of negotiations
- G4 – Impasse proceedings
- G5 – Collective bargaining agreement disclosure
- G6 – Contract administration
- G7 – Unfair labor practice charges

The program's parameters and guidelines establish the state mandate and define the reimbursement criteria. The Commission adopted the parameters and guidelines on October 22, 1980, and amended them ten times, most recently on January 29, 2010.

In compliance with Government Code section 17558, the State Controller's Office (SCO) issues claiming instructions to assist school districts in claiming mandated program reimbursable costs.

The current finding is the result of our review of the mandated cost claims filed for the legislatively mandated Collective Bargaining and Collective Bargaining Agreement Disclosure Program for the period of July 1, 2010, through June 30, 2012.

**FINDING—
Under-reported Winton Act base-year direct costs and related indirect costs**

The district under-reported the Winton Act direct costs on its mandated cost claims for FY 2010-11 and FY 2011-12. For both years in the review period, the district reported Winton Act base-year costs of \$1,595. The base-year costs reported in the district’s FY 1997-98 claim was \$10,699. After adjusting the Winton Act base-year costs by the Implicit Price Deflator (IPD), we found that the district understated its Winton Act base-year costs by \$84,859 for the review period. Unallowable related indirect costs total \$1,117.

The following table summarizes the under-reported Winton Act base-year cost adjustments by fiscal year:

	Fiscal Year		Total
	2010-11	2011-12	
Winton Act base-year costs, FY 1997-98	\$ (10,699)	\$ (10,699)	
Implicit Price Deflator (IPD)	× 4.583	× 4.738	
Winton Act base-year costs adjusted by the IPD	(49,034)	(50,692)	\$ (99,726)
Less reported Winton Act base-year costs	(7,310)	(7,557)	(14,867)
Unreported Winton Act base-year costs adjusted by the IPD	(41,724)	(43,135)	(84,859)
Related indirect cost adjustment	(461)	(656)	(1,117)
Review adjustment	\$ (42,185)	\$ (43,791)	\$ (85,976)

The parameters and guidelines (section H., Supporting Data for Claims – Report Format for Submission of Claim) state:

- a. For component activities G1, G2, and G3:
 1. Determination of the “increased costs” for each of these three components requires the costs of current year Rodda Act activities to be offset [reduced] by the cost of the base-year Winton Act activities. The Winton Act base-year is generally fiscal year 1974-75.

Winton Act base-year costs are adjusted by the Implicit Price Deflator prior to offset against the current year Rodda Act costs for these three components. The Implicit Price Deflator shall be listed in the annual claiming instructions of the State Controller.

The Winton Act base-year costs were obtained from the FY 1997-98 claim the district submitted to the SCO’s Division of Accounting and Reporting. The Implicit Price Deflator is reported in the SCO’s annual claiming instructions.

Recommendation

Commencing in FY 2012-13, the district elected to participate in a block grant program, pursuant to Government Code section 17581.6, in lieu of filing annual mandated cost claims. If the district chooses to opt out of the block grant program, we recommend that the district ensure that all Winton Act base-year costs are adjusted by the Implicit Price Deflator, as listed in the SCO's annual claiming instructions, and are properly offset against the district's current-year Rodda Act direct costs claimed.
