PAYROLL LETTER #18-005

TO: All Agencies/Campuses in the Uniform State Payroll System

FROM: Marissa Revelino, Chief
Personnel and Payroll Services Division**RE: PAYROLL DEDUCTION - CANCELLATION**

This letter announces the State Controller's Office (SCO) is resuming its annual audit of participation levels in the State's Voluntary Miscellaneous Payroll Deduction Program. Deduction organizations must maintain minimum participation levels to participate in this program. Effective with the May 2018 pay period the SCO will no longer withhold the deduction codes listed below from employee pay warrants. This action is being taken per California Government Code Section 1153(f), which provides for the cancellation of deductions that are not administratively feasible to maintain. Deduction organizations are aware of the payroll deduction cancellations. The deductions for parking listed in the table below currently have no participants; therefore, there is no impact to employees. For the other deductions listed SCO mailed notifications to affected employees to allow sufficient time to make direct payments to the organization to continue membership/coverage. No actions from agencies or campuses are necessary to implement these cancellations. Revisions to the Payroll Procedures Manual (PPM) are forthcoming.
