PURPOSE/USE

- Name
- Address
- Withholding allowance information
- Prior State/Public employment

REQUIRED

An EAR must be processed for:

- New employees
- Employees returning after a permanent separation
- Current employees reporting changes
- Employees receiving IRS/State notification of mandatory withholding change

PAR's which do not have an EAR attached for employees who are new, returning after permanent separation or deceased will be returned.

Exceptions – An EAR is RECOMMENDED but not required for the following:

- Agricultural Associations (Agency 014- Unit 000)

- Emergency and Retired Annuitant appointments

Although an EAR is not required in the above cases, all employees must be given IRS form W-4 and the applicable state withholding form (California DE 4, New York IT 2104, Illinois IL W-4) and complete an EAR so they may claim appropriate withholding allowances. If employee does not complete an EAR, taxes will be withheld as follows:

- For a returning employee with prior history on the data base, taxes will be withheld based on the previously claimed marital status and allowances. Any previously claimed Federal or State Additional Withholding will be deducted.
- For a new employee, or for a returning employee with no prior history on the data base, taxes will be withheld as for a single person claiming no allowances.

NOT REQUIRED

Do not process an EAR for:

- Employees returning from a temporary separation with no changes to report (S49-S57)
- Employees transferring between departments with no changes to report
- Employees appointed to an additional position with no changes to report
