# Claims Process

A claim for unclaimed property can be initiated through the Internet, by telephone, or by mail. The State Controller's Office updates the unclaimed property records monthly, and account information can be accessed at any time. Instructions for filing a claim are described in this guide.

## Internet

The State Controller's Office has developed an unclaimed property database that provides convenient, 24-hour access to individual or business accounts. Search parameters include name(s) and last known city. If an account is located, a claim form and instructions for filing a claim can be generated immediately.

The Internet database does not contain all unclaimed property accounts. The State Controller's Office receives reports throughout the year and accounts are posted to the Internet periodically. If you feel you may have other accounts that did not appear in your search, return to this site at a later date.

The database and search instructions can be accessed on the State Controller's web site, at <http://www.sco.ca.gov>. Click on "Unclaimed Property."

## Telephone

To access the unclaimed property database by telephone, contact the State Controller's Customer Service Unit. California residents can call toll-free, at 800-992-4647 between the hours of 8:00 AM and 5:00 PM, Monday through Friday (except holidays). Those outside California may call (916) 323-2827. The customer service representative (CSR) will request the name to be researched and the applicable social security number, if available.

In order to locate all funds that a claimant may be owed, the CSR may ask for additional information concerning prior addresses. This information will help locate funds in the event that there are similar names on the database. The CSR generally conducts the search while the caller is on the line. If an account is located, a claim form and instructions for filing the claim are sent to the claimant. In some cases, additional documentation may be requested after initial proof of entitlement is submitted.

## **Mail**

Requests for searches for unclaimed property may also be submitted in writing. To ensure that the requested name is researched thoroughly, the claimant's social security number and all addresses of residence must be provided. The request should be sent to:

**State Controller's Office  
Unclaimed Property Division  
P.O. Box 942850  
Sacramento, CA 94250-5873**

When a written request for a search is received, the claimant is sent notification in writing of whether or not the search located an account.

## **No Evidence of Account**

It is possible that unclaimed property was remitted to the State Controller's Office but does not appear on the database. This occurs if the account was submitted on electronic media that was incompatible with the unclaimed property computer system or if the report is in transit.

If a claimant has been notified by a business or financial institution that property was remitted to the State Controller but it does not appear on the database, the State Controller will return the claim unpaid. This does not constitute a denial of the claim. The claimant should contact the business or financial institution that reported the property (the holder). The claimant should ask the holder to provide the date the property was reported and a copy of the report face sheet (see Appendix A-1). If this information can be obtained, it should be sent to the State Controller along with the original claim and supporting data for further research. (Note that the holder is not required to retain such records after seven years.) If no additional information can be obtained to assist the State Controller in locating the account, the claimant should visit the State Controller's website at [www.sco.ca.gov](http://www.sco.ca.gov) or call the toll free number at a later date, as accounts are continually loaded to the database.

A holder may pay the unclaimed property directly to the claimant and then be reimbursed by the State Controller once the holder's report is corrected and loads to the computer system.

# Required Documentation

## Identification

To ensure that the rightful owner or heir is paid, the State Controller requires sufficient identification before a payment is authorized. The following three items must be provided:

- State Controller's Claim Form ( see Appendix A-2);
- Copy of a driver's license, a Department of Motor Vehicles identification card, or a passport; and
- Documentation verifying the claimant's social security number or federal tax identification number or (if open estate) federal tax identification number.

If the owner is deceased, one or more of the following documents must be provided for identification in addition to the three listed above:

- Birth certificate of account owner and heir(s);
- Death certificate of account owner and heir(s); and/or
- Marriage certificate of account owner and heir(s), if applicable.

## Documentation by Property Type

In addition to the above requirements, the following documentation, as well as other documents which may be required to substantiate the claim, must be submitted according to the type of unclaimed property.

### Savings or Checking Accounts

Required documentation:

- Account statement;
- Bank passbook; or
- Correspondence listing account numbers.

If the passbook or account statement is unavailable, claimants are required to show proof of residence at the address shown on the account as reported to the State Controller.

## **Stock, Dividends, Bonds or Debentures**

Required documentation:

- Original stock certificate;
- Original dividend check;
- Original bond;
- Original debenture; or
- Account statement.

If the original certificate is not available, the State Controller may allow payment based upon other documentation submitted by the claimant, such as verification of occupancy at the registered address, proof of purchase, or cashing or evidence of a dividend check. If warranted, the State Controller may require a lost instrument bond from the claimant.

*Note: Submission of a lost instrument bond only is not considered sufficient proof of ownership.*

California's Unclaimed Property Law requires the State Controller to sell securities within two years of delivery to the State Controller's Office. If a claimant's securities have been sold, the claimant will receive the market value of the securities received at the time of sale. The law does not provide for interest to be paid on any claims.

*Note: The State Controller's Office is not authorized to buy back the claimant's shares nor will it make up the difference in sale proceeds in the event the stock was sold below current market value. The State Controller is required to sell stock within the statutory period of two years (Code of Civil Procedure Section 1563).*

## **Life Insurance Accounts**

Required documentation:

- Insurance policy; or
- Insurance statement.

If the items above are not available, claimants are required to show proof of residence or occupancy at the address shown on the account as reported to the State Controller.

### **Escrow Accounts**

The Buyer's/Seller's closing statement is required documentation.

If the statement is not available, the claimant is required to show proof of residence or occupancy at the address shown on the account as reported to the State Controller.

If the account shows both buyer and seller, the escrow agreement must be provided in order to identify the proper owner.

### **Negotiable Instruments, Certified Checks, Money Orders, or Travelers Checks**

Required documentation: the original negotiable instrument.

If the original instrument is unavailable, additional documentation is needed to verify claims for negotiable instruments. You will be required to provide other available documentation along with a Declaration of Loss form. Please contact the Unclaimed Property Division by telephone at (916) 323-2827 for further instructions. Also, if you are filing a claim and know there are multiple owners on the account, please note that each owner/claimant must sign the claim form and submit the required documentation.

### **Safe Deposit Box Contents**

Required documentation:

- Account statement; or
- Safe deposit box key.

If the items above are not available, proof of residence or occupancy at the address shown on the account is required. If proof of residence is not available or if the reporting agency did not report an account owner's last known address, evidence must be submitted proving an association with the reporting agency.

California's Unclaimed Property Law requires the State Controller to sell the contents of safe deposit boxes if the contents appear to have monetary value; all other safe deposit box contents (e.g., wills, statements, letters, deeds) are destroyed. Proceeds from the sale are used to satisfy any bank liens. Remaining proceeds are credited to the owner's account until a claim is presented. The law does not provide for interest to be paid on any claims. In the event that the contents of a safe deposit box are not sold and a claim is presented, the State Controller, upon proof of ownership, will return the property by insured/registered mail after the claimant pays any liens on the safe deposit box. The payment for the lien is made to the State Controller, which forwards it to the bank.

### **Business Accounts**

Business accounts such as vendor checks, accounts receivable credit balances, or rebates can be claimed by providing:

- Account statement verifying the relationship between the claimant and the company;
- Credit memo; or
- Other correspondence or documentation supporting the claim.

### **Corporation/Business Entity/Partnership**

Business accounts such as vendor checks, accounts receivable credit balances, or rebates can be claimed by providing:

- Evidence that the corporation is in good standing with the Secretary of State's Office (a statement of corporate standing can be obtained from the Business Programs Division, Business Filing Section, Secretary of State's Office, 1500 Eleventh Street, Sacramento, CA 95814); and
- Tax return; and
- Letterhead or a business card for an authorized officer of the agency, and if dissolved or merged, evidence of all mergers, which may include partnership agreements, copies of merger/articles of incorporation, and dissolution and wind-up documents; and
- Final tax return showing assets were distributed.

If the items above are not available, claimants are required to show proof of residence or occupancy at the address shown on the account as reported to the State Controller. Other documents may be required to establish proof of ownership.

### **Governmental Agency Accounts**

Business accounts such as vendor checks or accounts receivable credit balances can be claimed by providing:

- Letterhead or a business card for an authorized officer of the agency.
- Copy of document verifying Federal Tax Identification number.  
Other documents may be required if the account is in the name of more than one owner.

## Miscellaneous Accounts

Other types of accounts can be claimed by providing documentation associating the owner with the account. If proof of residence/occupancy or last known address is not available, documentation associating the claimant with the reporting agency must be submitted.

## Deceased Owners

If the owner of the account is deceased and an heir or administrator of the estate is claiming the property, the State Controller requires the claimant to provide the death certificate for the deceased owner, plus one of the following documents or groups of documents:

- Copies of currently certified letters, dated within 6 months, appointing the executor or administrator of the decedent's estate and assigning the estate tax identification number;
- Copy of the court-ordered distribution of the decedent's estate;
- If the estate was valued at less than \$150,000 and was not probated or distributed by the courts, a copy of the decedent's will and/or trust agreement, along with a completed Declaration Under Probate Code Section 13101 form (see Appendix A-3). If the decedent died on or between January 1, 2020, and March 31, 2022, this amount increases to \$166,250;
- Table of Heirship form (see Appendix A-4); or
- If the estate or owner's account was valued at more than \$150,000, a copy of the final decree of distribution. ). If the decedent died on or between January 1, 2020, and March 31, 2022, this amount increases to \$166,250; or
- Community property confirmation order under Probate Code Section 13656; or
- Trustee certificate under Probate Code Section 18100.5.

If the certified letter, court-ordered distribution, or decedent's will is not available, the claimant may be required to complete a certification of non-probate and submit a declaration form, along with a Table of Heirship form indicating the lines of succession (see Appendices A-3 and A-4).

## Multiple Owners

If there are three or more owners on an account, the State Controller requires the signatures of all owners. Since the claim form has only two signature blocks, make a copy of the Claim Form/Affirmation section (see back of Appendix A-2). Submit this additional section with the claim and appropriate documentation.

## Incomplete Claim Package

The State Controller will return any claim package that does not contain documentation adequate to prove ownership. The file may be resubmitted by the claimant when the necessary supporting documentation has been obtained.

## **Claim Consideration**

The State Controller's Office will consider a claim within one hundred eighty (180) days of receipt. If the claim is denied in whole or in part, the claimant will be provided with a written notification of the denial.

### **Right to Claim Property From Holder**

If a claimant is unable to prove a claim with the State Controller, the claimant can attempt to substantiate the claim with the institution that turned over the account (the holder). If the holder pays the claimant, the holder will be reimbursed by the State Controller for the exact amount that was paid to the claimant by filing a Holder's Claim For Reimbursement form (see Appendix A-5).

## **Report of Interest Income**

Beginning in August of 2003, the Unclaimed Property Law no longer provides for interest to be paid on any claims. However, for claims paid prior to the change in the law, the State Controller is required to issue a 1099 statement indicating the amount of interest paid to an owner of the unclaimed property.

The 1099 statement is filed with the Internal Revenue Service and the California Franchise Tax Board. The State Controller's Office issues 1099 statements once a year, during the month of January. This statement reports the amount of interest that the State Controller paid to a claimant in the tax year that the unclaimed property account was paid. Questions related to this document may be directed to the California State Controller's Office, P. O. Box 942850, Sacramento, CA 94250, or can be asked of a tax preparer. When filing state and federal income tax returns, this income must be reported.

If the holder pays a claimant and is reimbursed by the State Controller, the holder is responsible for issuing the 1099 statement.

## Asset Recovery Agreements

Asset recovery agreements submitted by organizations, private investigators, attorneys, heir finders, and other individuals or entities are required to be in compliance with Code of Civil Procedures Section 1582. Section 1582 provides as follows:

*No agreement to locate, deliver, recover, or assist in the recovery of property reported under Section 1530, entered into between the date a report is filed under subdivision (d) of Section 1530 and the date of publication of notice under Section 1531 is valid. Such an agreement made after publication of notice is valid if the fee or compensation agreed upon is not in excess of 10 percent of the recoverable property and the agreement is in writing and signed by the owner after disclosure in the agreement of the nature and value of the property and the name and address of the person or entity in possession of the property. Nothing in this section shall be construed to prevent an owner from asserting, at any time, that any agreement to locate property is based upon an excessive or unjust consideration.*

*Notwithstanding any other provision of law, records of the Controller's office pertaining to unclaimed property are not available for public inspection or copying until after publication of notice of the property or, if publication of notice of the property is not required, until one year after delivery of the property to the Controller.*

If the State Controller's Office determines that a submitted asset recovery agreement does not comply with Civil Code of Procedures Section 1582, it will not process claims filed under that agreement.
